## Joshua 14:6-14

Caleb wasn't looking for comfort, he was asking for a mountain to climb. While others saw giants and obstacles, Caleb saw God's promises. While others grew weary, Caleb remained faithful. While others slowed down, Caleb still wanted the challenge God had placed before him. Today we'll discover what made Caleb different and why God is still looking for men and women like him. Join us as we learn how to trust God's promises, remain faithful through the wait, and boldly pursue the mountain God has placed before us. No matter your age or stage of life, **God is not finished with you yet.**

### THE LONG-AWAITED NEWS FROM CUBA HAS COME!

Our missionary, Mark Sterken reported that Wednesday (June 24) was the day that the shipping container was released in Cuba. This was our Summer Project- last year. It was anticipated that this container would be available in early March. Unfortunately, some countries move slower.

Mark reported that although he cannot be in Cuba for the dispersion to the pastor's and then the people, there is a LIV Global Team currently in Cuba that will be able to facilitate that. Please pray for the Lord to work powerfully at this time. Pray for safety of the LIV Global Team, and the pastors. Can you imagine the joy of the pastors as they receive a bike for transportation, or the hungry to receive a meal, or medicine to the sick, fabric received to make clothing, for the spiritually hungry to get a copy of the scriptures...and we could go on and on about all the stuff that was crammed into the shipping container - and this past Wednesday was the day that happened! Thanks again for your generous giving that made this possible. A Dios se al gloria! (To God be the glory!) With each dispersion will be a gospel presentation, pray that God will open eyes and ears to the gospel message.

Mark said as soon as he has pictures and testimonies from the people- he will forward them on to us.
